To Whom It May Concern:

BET Construction and Roofing Services, Inc. has recently completed roofing work for the FEMA Hangar project at Homestead Air Force Base. The total contract amount was approximately \$157,700.00

James Scardina and his staff completed the project satisfactorily and accommodated our accelerated completion schedule with little or no punch list items.

Based on their professional attitude, knowledge of roofing and attention to detail, I am happy to recommend BET Construction and Roofing Services, Inc.

Sincerely,

Monica Hernandez
President
